

## **Introduction**

I might not have considered the subject of this book worthy of my time and attention, except for some important insights I was in a unique position to see.

I learned the truth regarding this subject back in 1988, from a magazine article which forms the basis of Chapter One. Oswald acted alone. Disturbing as this might seem to many, having their pet theories and pride to protect, it is true, and this book provides convincing evidence to support that conclusion.

But more important (and much more interesting) than the “who done it” question most people entertain, is the involvement of the Jews. No, the Jews did not kill JFK, he was one of their stooges, and a willing accomplice with their designs. They were involved however, but only after the assassination, and through their control of the news media they have attempted to cover-up the truth for over fifty years. They have managed to accomplish this through a barrage of conspiracy theories designed to confuse us. This principle is explained in their master plan, the *Protocols of the Learned Elders of Zion*.

*“In order to put public opinion into our hands we must bring it into a state of bewilderment by giving expression from all sides to so many contradictory opinions and for such length of time as well suffice to make the “Goyim” lose their heads in the labyrinth and come to see that the best thing is to have no opinion of any kind in matters political, which it is not given to the public to understand, because they are understood only by him who guides the public. This is the first secret” (Protocol 5:10).*

## **The Reason for All the Conspiracy Theories**

The reason for all the conspiracy theories was to distract us from the fact that Oswald was one of their own, a communist (The Jews invented communism through their god Lucifer), and they didn’t want us to focus on Oswald because we might begin to connect the dots and figure out how despicable these troublemakers really are.

## **Regarding Deception**

Another thing: I believe that when more people come to realize how easily they were duped regarding the assassination of John F. Kennedy, that they will begin to consider the possibility that they may have been deceived regarding other subjects.

*“We’ll know our disinformation program is complete when everything the American people believe is false” (William Casey, CIA Director, 1981).*

Consider the following admissions, from the Zionist Jews master plan:

*“We shall erase from the memory of men all facts of previous centuries which are undesirable to us, and leave only those which depict all the errors of the government of the Goyim” (Protocol 16:4).*

*“. . . we have contrived to possess ourselves of the minds of the Goy communities to such an extent that they all come near looking upon the events of the world*

*through the colored glasses of those spectacles we are setting astride their noses;. . .”* (Protocol 12:5).

*“If we have been able to bring them to such a pitch of stupid blindness is it not a proof, and an amazingly clear proof, of the degree to which the mind of the Goyim is undeveloped in comparison with our mind? This it is, mainly, which guarantees our success”* (Protocol 15:7).

*“In this difference in capacity for thought between the Goyim and ourselves may be clearly discerned the seal of our position as the Chosen People [self chosen] and of our higher quality of humanness, in contradistinction to the brute mind of the Goyim. Their eyes are open, but see nothing before them and do not invent (unless perhaps, material things) [I do not believe that the Jews have ever invented anything]. From this it is plain that nature herself has destined us to guide and rule the world”* (Protocol 15:11).

All of the suppression and problems in this world can be traced to some agenda of the self-chosen Jews, and the Protocols spell them out for us.

I hope you take the time to consider the information in this book, and better understand how and why so many of us have been deceived by these devils, even today.

Note: Jews consider us, the true Israelites, Goyim, non-Jew cattle or farm animals for their use and harvesting.
