

Are You Aware . . .

- that we haven't had a valid Congress in this country since 1861?
- that there are no valid Article III [The Judiciary] courts in America today.
- that all Common Law Courts, with respect to our rights as specified in the Bill of Rights came to an end in 1933, and this was formally announced in 1938?
- of the reason why Common Law Courts could not function in America today?
- of the difference between a Jury Trial and a Trial By Jury?
- of the difference between The Constitution for the United States and The Constitution of the United States?
- of how today's courts justify ignoring your rights specifically spelled out in The Constitution for the united States?
- of the difference between the first, and the second of the 13th Amendments?
- of the difference between a DEFENDANT and/or The Accused?
- of the trap involved when signing a bank signature card?
- that your name spelled in upper-case letters is not an identifier of you?
- of the difference between an attorney and a Lawyer?
- that very few attorneys are Lawyers?
- that law schools in this country stopped teaching Law in the early 1970s?
- that attorneys are the only unlicensed professionals in America and why?
- that when an attorney refers to his client, that it is not a flesh and blood man or woman that he is referring to?
- that an attorney cannot represent a flesh and blood man or woman?
- that the act of hiring an attorney automatically eliminates your strongest defense in a criminal case?
- that you have a choice of getting involved when someone sues you?
- that those acting in the capacity of the federal government have formally declared war on the American people and this declaration was hidden in legal code as a justification for legitimizing this treasonous act?
- that the IRS is not an agency of the United States government?
- of the reason why the IRS attempts to provoke you to anger with their notice and demands and what you might do to turn it around on them?
- that the Gun Control Act of 1968 applies only to Residents and visitors to the District of Columbia?

- that the Gun Control Act of 1968 was nullified by a hidden amendment for the purpose of preventing any successful challenge of its constitutionality? (A non-constitutional, or invalid act has no force or effect, and therefore, there would be no reason for the Supreme court to consider a challenge to it).
- that the United States Post Office Department was abolished in 1970, and all personal were transferred into the private United States Postal Service, “USPS ?”
- that we have no right to home delivery of mail in the united States?
- of the reason why the United States Postal Service discourages “General Delivery” of mail, and prefers that we choose home delivery instead?
- that each State, such as the state of Utah (the physical area), has corporate counterparts such as, This state of Utah (the District of Columbia), UTAH STATE, and THE STATE OF UTAH?
- that if a federal judge asked if you lived in “This State,” that he was setting a trap for you to secure a pretense of jurisdiction?
- that there are at least four different privately owned corporate entities called United States, identified by subtle variations in their use of upper and lower case letters?
- that the Social Security system is and always has been voluntary?
- that you probably do not need a Driver License, and never did?
- that since 1933, what is called the “United States Government” is a privately owned corporation?
- of the reason why you cannot pay a debt with a Federal Reserve Note?
- that you discharged the very debt you agreed to pay the moment you signed a loan agreement?
- of the difference between a Republic and a Democracy?
- of the implications when using the two-letter state names and Zip Codes encouraged today?
- of the hidden message directly below the signature line of personal checks, and why it is so significant? (Check it under a 60X microscope)
- that all crime has been defined as Commerce, for an excuse to “regulate” it and profit from it? Everything from prostitution to murder is listed as a commercial activity in 27 CFR (Code of Federal Regulations) 72.11.
